

Summer Camp 2026 Recreation Programs

How to Register for a Program?

Online at whitby.ca/active

To create a **Recreation Family account** for recreation program/membership registration please visit one of our Recreation customer service desks. For new accounts with a Whitby address proof of residency will be required (Photo ID and proof of address such as a Drivers Licence or Ontario Photo Card).

Once your new customer Recreation Family account is created, be sure to choose the "**forgot my password**" link to choose your new password the first time you login.

If you have held an account with us in the past please try your email address in the **forgot password link** to retrieve your account and prevent creating a duplicate account.

To change your address in your existing Active Net Recreation Family account please visit a **Recreation customer service desk for assistance**.

Online Payment methods include: Visa, AMEX, Mastercard, Apple Pay, and Google Pay (At this time we cannot process Visa Debit cards online)

For assistance with account creation or online support please call 905.655.2010 or 905.668.7765

Register In Person

Visit one of the following registration locations to complete your program registration and payment in person. Payment methods include: Cash, debit, cheque, credit, Apple Pay, and Google Pay

Brooklin Community Centre and Library, 8 Vipond Rd, 905.655.2010

Iroquois Park Sports Centre, 500 Victoria St W, 905.668.7765

Whitby Civic Recreation Complex, 555 Rossland Rd E, 905.666.1991

Whitby 55+ Recreation Centre, 801 Brock St S, 905.668.1424

Refunds, Transfers and Registration Policies

Refund Policy - Recreation Programs and Memberships

Program Cancellations:

The Town of Whitby is committed to providing fair and transparent refund practices for recreation programs. If a program is cancelled by the Town prior to its start, participants will receive a full refund; if cancelled after the program begins, a prorated refund will be issued.

Participants who withdraw at least three business days before the start date are eligible for a refund or account credit, less a \$10 + HST administrative fee. Withdrawals made after the program begins but before the second class may receive a prorated refund or credit, also subject to the administrative fee. No refunds are available after the second class unless supported by medical documentation or approved by a supervisor.

For camps, workshops, and P.A. Day programs, **refund requests** must be submitted at least five days before the start date, less a \$10 + HST administrative fee. No partial refunds are provided once the camp week has begun, except in cases of medical exemption with documentation.

Refund requests for special events made within seven days of the event are considered at staff discretion. Drop in admission tickets and 10-pass packages are non-refundable and hold no cash value.

Transfers are permitted based on availability, with level based programs such as swimming lessons requiring staff approval. **The refund request form** is for withdrawals/refunds only. For assistance with a program transfer please contact one of our customer service desks.

Membership Cancellations:

Membership cancellations must be submitted within the membership term and will be prorated from the date of cancellation, subject to the administrative fee. Health Club members who cancel within ten days of joining may choose either a full refund or a full value credit.

Missed Classes

In the event that a customer is unable to attend a class, makeup class(es) will not be offered.

How to Request a Refund, Withdrawal or Program Transfer

Refund Requests:

Withdrawals, refunds and transfers cannot be processed in your online account. To request a withdrawal or refund, participants must complete **the refund request form**. If you are unable to complete the form online please call our Customer Service Centre at 905.666.1991 or visit a recreation facility customer service desk for an alternate format.

Program Transfers:

Transfers are permitted based on availability, with level-based programs such as swimming lessons requiring staff approval. For assistance with a program transfer please contact one of our customer service desks.

Subsidized Program Guide

All programs qualify for subsidy with the Access Program, Region of Durham Recreation Program Cards and Canadian Tire Jumpstart grants unless they have the following:

(#) Does not qualify for the Access Program

(@) Does not qualify for Region of Durham Recreation Program cards

Please note that Canadian Tire Jumpstart grants are only for participants 4-18 years of age. If you have questions regarding subsidy please visit whitby.ca/subsidy.

55+ Programs

All 55+ programs require a 55+ Membership which can be purchased at registration locations or online whitby.ca/active by participants who are age 55 and older. The current cost of a 55+ Membership is \$22.86 plus HST. Membership is free for those participants who are age 90+.

Engineering for Kids

Engineering for Kids-Junior Summertime Splash (#@%)

Get ready to ignite curiosity and learning this summer! Our Summertime Splash the curriculum will immerse students in the wonders of the season, from the vibrant sights and sounds of nature to the science behind summer adventures. Through hands-on engineering challenges, students will explore topics like solar energy, outdoor recreation, and fascinating weather phenomena. With each activity, they'll engage in creative problem-solving and discover the fun behind the science of summer. This season is bursting with opportunities for exploration, and we can't wait to spark excitement and curiosity in your students!

Mon-Fri	Jul 27-Jul 31	9:00am-4:00pm	\$350.00

Engineering for Kids-Junior Taking to the Skies (#@%)

The Junior Aerospace Engineering classes introduce our youngest engineers to fundamental concepts of aircraft and spacecraft design. Through open and focused exploration, students explore and construct airplanes, rockets, helicopters, and more.

68127	4-7yrs	Centennial Building	5 days
Mon-Fri	Aug 10-Aug 14	9:00am-4:00pm	\$350.00

Engineering for Kids-Junior Wonders of the Deep (#@%)

Dive into the world of discovery, innovation, and problem-solving with Wonders of the Deep, a marine engineering curriculum that challenges students to think like ocean engineers. Through hands-on activities, students explore topics such as artificial reefs, seaweed farms, submarines, wave energy, and coastal defenses, applying creativity and critical thinking to real-world ocean challenges. Each lesson blends science and engineering, encouraging students to design, build, test, and improve their solutions using the Engineering for Kids Engineering Design Process.

Engineering for Kids-Junior Zany Zoo Engineers (#@%)

There is a big problem at your local zoo... the animals are very unhappy! They have outgrown their cages and are bored by their basic, concrete surroundings. In these lessons students will learn about engineering, mathematics, animals, and habitats while advancing their literacy skills through a variety of read alouds. They will work as zoo engineers and zoologists while using the EFK Engineering Design Process to design and build solutions to a variety of engineering challenges.

68123	4-7yrs	Centennial Building	5 days
Mon-Fri	Jul 13-Jul 17	9:00am-4:00pm	\$350.00

Engineering for Kids-Senior Contraption Creators (#@%)

Step into the whimsical world of invention with Contraption Creators, a hands-on curriculum where students become industrial engineers at the Wacky Wonder Toy Factory. In this imaginative program, students tackle playful, real-world inspired challenges like building conveyor belts, ramp systems, and chain reaction contraptions. Each lesson sparks curiosity, encourages creative problem-solving, and brings core engineering concepts to life through engaging, story-driven activities.

Mon-Fri	Aug 17-Aug 21	9:00am-4:00pm	\$385.00

Engineering for Kids-Senior How Amusing (#@%)

Ah, the thrill of an amusement park...zipping around on racecars, zooming through the loops of a rollercoaster, trying your luck at a floating boat game, and enjoying a cold, refreshing ice cream treat at the end of a hot, sticky day. Can't get better than that! During this camp, students will divide into competitive theme park teams. They will challenge other teams in specific engineering-related contests with the goal of creating the most fantastic and thrilling theme park experience. At the end of the week, only one team will emerge as the winner and will be granted the prestigious honor of creating the world's next great amusement park for children ages 0-99 to enjoy for summers to come!

68126	8-12yrs	Centennial Building	4 days
Tue-Fri	Aug 4-Aug 7	9:00am-4:00pm	\$308.00

Engineering for Kids-Senior Motion Commotion (#@%)

Students step into the imaginative world of Motion Commotion, where creativity, storytelling, and engineering meet through the art of stop motion animation. From Claymation and sand animation to masking techniques and sound design, students learn how to make characters, scenes, and objects come to life one frame at a time.

Each lesson blends artistic expression with technical skill, encouraging students to experiment with materials, plan their scenes, and problem-solve like engineers. By the end of the program, students will have a collection of animated creations that showcase their ability to design, build, test, and refine their ideas. Motion Commotion introduces students to stop motion animation through a variety of creative, hands-on challenges. Lessons use readily available materials like modeling clay, sand, construction paper, craft supplies, and small props. Students also work with digital tools such as the Stop Motion Studio app to capture their animations and add sound effects.

Film Camp

Film Camp in a Box Feature Film Making Camp (#@%)

Fill your week with action, adventure and a lot of comedy with Film Camp in A Box Movie Making Camp. Mentored by master filmmakers, campers will engage in hands-on exploration of the filmmaking process, including pre production, production and post production. Working in small crews, they will learn about cinematography, script writing and editing. Campers will then create, act in and edit a short film and movie trailer using iMovie. Participants will have the opportunity to use our latest technology, including Mac books, 4K cameras, tripods, boom microphones, green screens and the use of an aerial drone. Movies will be presented at our red carpet, popcorn film festival and archived on our digital theatre.

Kids Great Minds

Kids Great Minds - Video Game Creation Camp (#@%)

Kids will step into the exciting world of 3D game design in this fun and interactive camp where they build and play their own original games. Campers will create adventurous mazes, fast-paced racing challenges, and collection quests featuring apples, coins, and stars. They'll program characters, add teleporters, set win conditions, and test their creations using real controllers. A hands-on introduction to game development that builds creativity, logic, and confidence, all while having fun.

68163	8-11yrs	McKinney Centre	4 days
Mon,Tue,Thu,Fri	Jun 29-Jul 3	9:00am-4:00pm	\$322.00

Kids Great Minds -3D Printing & Modelling Camp (#@%)

Come and 3D print with us! Campers will fabricate their own 3D objects from start to finish, such as cars, minions, robots, small toys and more. Our 3D printer will be on site so kids can see it in action, learning how it works, while printing their own creations! Each participant will be able to print 2 small 3D pieces to take home to show off!

68176	8-11yrs	McKinney Centre	5 days
Mon-Fri	Jul 27-Jul 31	9:00am-4:00pm	\$387.00

Kids Great Minds -3D Printing & Modelling Camp (#@%)

Where imagination meets innovation! Camper's dive into the exciting world of 3D design, turning their digital ideas into real creations they can hold. Using beginner-friendly modeling software, they'll design models inspired by favourite characters like Goku, Luffy, and Zoro, along with their own original creations. They'll explore the full 3D design process, from digital modelling to real-world creation, and watch a live demonstration as their personalized 3D name tag is printed. Their final digital project will be printed after camp and available for pickup the following week.

68177	12-14yrs	McKinney Centre	5 days
Mon-Fri	Jul 27-Jul 31	9:00am-4:00pm	\$387.00

Kids Great Minds -AI Pioneers: Coding Camp (#@%)

In this camp, kids explore how Artificial Intelligence learns, thinks, and makes decisions, just like humans. Campers will train models to recognize objects, sort recyclable materials using AI, and even create their own talking chatbot. They'll have fun with hands-on challenges like the Mind-Control Maze, UNO Sorting Game, and Pattern Recognition Projects that show how machines "see" and understand the world. They'll learn to think like innovators, using AI responsibly to solve real-world challenges.

68178	9-12yrs	McKinney Centre	5 days
Mon-Fri	Aug 10-Aug 14	9:00am-4:00pm	\$387.00

Kids Great Minds -Cartoon Animation Camp (#@%)

Come unleash your imagination in this camp by creating your own animated cartoon movie. You will be guided step by step in a collaborative, computerized environment, as you create and watch your cartoon come to life. The software's engaging design and multiple levels offer a fun, rewarding experience providing the novice animator the courage to create with confidence! At the end of the camp, parents will be sent their animated movies.

Mon-Fri	Aug 10-Aug 14	9:00am-4:00pm	\$387.00

Kids Great Minds -Games and Animations Coding Camp (#@%)

Kids don't just play games in this program, they learn to program them! Step by step, they'll create their own versions of classics like Pac-Man, Mario-style adventures, and Space Invaders while picking up real coding concepts along the way. As they design characters, build levels, add movement, and create scoring systems, campers will develop problem-solving skills and the logical thinking every programmer needs. By the end of the camp, they'll have built multiple fully playable games and the confidence to keep creating on their own.

Junior Firefighter Camp

Junior Firefighter Camp

In this camp campers will learn fire prevention and fire safety, how to react in emergencies and gain insight into the life of a firefighter. This includes classroom and hands-on lessons in first aid, CPR, fire extinguisher training and home escape planning. Campers will also have the opportunity to use some of the emergency rescue equipment used by the firefighting crews.

Playground Program

This community drop in program runs five days a week at four local parks in the morning (Carnwith Park, Darren Park, Pringle Creek Park, Portage Park) and three different local parks in the afternoon (Folkstone Park, Willow Park, Jeffery Park). This program is free for children ages 5-12. Participants are permitted to register for a total of two weeks per summoklin Community Centre and Library, or Iroquois Park Sports Centre) using the corresponding course code. We do not accept on site registrations.

Youth Camps

Counsellor In Training Camp

Brooklin CIT Camp - Week 1

Counsellors In Training (CITs) will learn to develop a variety of leadership, team building and communication skills. CITs develop these skills while assisting with children and camp counsellors, leading activities and problem solving. Participants also become certified in First Aid and CPR Training. Upon completion of the CIT program, they will receive a certificate and will also be given the opportunity to complete their community service hours and gain practical experience for a week at the Brooklin Camps (Registration is not required for the second week).

Station Gallery Summer Camps 2026

Children Camps

AASC - Art Adventurers: Art Through The Ages (#@%)

Travel back in time to explore some of the world's most amazing art styles! From prehistoric cave paintings to brightly coloured Pop Art, campers will venture through the eras to learn about the art that has shaped our world! Each day, campers will get creative in the Station Gallery studios, where they will experiment with drawing, painting, printmaking and more, to create timeless works of art inspired by iconic artists and movements. What does a day at camp look like? Each day, our young artists will develop a new project from start to finish. We have 4 periods of creating, separated by two snack breaks and a 1-hour lunch. We will practice using new artistic mediums and techniques each day, culminating in 4 special artworks that students will proudly show off at the Camper Showcase on Friday afternoon!• All materials provided• Pack a nut-free lunch, two snacks, and a water bottle or drink• Wear art-friendly clothing, and dress for the weather for outdoor breaks• Camp drop-off opens at 8:50am• Before and aftercare are unavailable. Full refunds are available up to 30 days prior to the camp start time. Refunds are available up to 14 days prior, and subject to a \$30 administrative fee. There are no credits or refunds provided with less than 7 days' notice.

AMSC - Art Masters: Colourful Collage (#@%)

Get ready to cut, paste, layer, and create in the colourful world of collage! As one of the most versatile artforms, collage will allow your imagination to run free. From surreal landscapes to personal storytelling projects, campers will experiment with mixed media materials and new art techniques to create layered, expressive masterpieces all week long! What does a day at camp look like? Each day, our young artists will develop a new project from start to finish. We have 4 periods of creating, separated by two snack breaks and a 1-hour lunch. We will practice using new artistic mediums and techniques each day, culminating in 5 special artworks that students will proudly show off at the Camper Showcase on Friday afternoon! • All materials provided • Pack a nut-free lunch, two snacks, and a water bottle or drink • Wear art-friendly clothing, and dress for the weather for outdoor breaks • Camp drop-off opens at 8:50am • Before and aftercare are unavailable Full refunds are available up to 30 days prior to the camp start time. Refunds are available up to 14 days prior, and subject to a \$30 administrative fee. There are no credits or refunds provided with less than 7 days' notice.

Youth Camps

YAC - Youth Art Camp (#@%)

In this four-day art camp, students will have an opportunity to explore new art forms and build new skills. Under the guidance and support of professional artist instructors, campers will be challenged to use their creative and critical thinking skills to create incredible art projects. Whether you're an art enthusiast or just enjoy being creative, you'll leave this camp with new techniques and some terrific projects to take home. Parents are encouraged to attend the camper showcase at the end of the week to see what incredible artwork was created! *4-day week What does a day at camp look like?
